Cross Lanes Baptist Reopening Guidelines for Sundays June 7-July 5th

8:15 AM Worship for ages 60+ and those in vulnerable categories due to personal health or family situations. Ages 60+ are not required to attend any particular service, but the 8:15 AM Service is limited.

9:30 AM Worship

10:50 AM Worship

6:00 PM Worship

The Vine Student Ministry will meet in the Gym during the 6:00 PM Worship, and students will enter and exit through the Banquet Room doors in the Family Life Center.

All services will be Family Services with no childcare.

All Sprouts Ministries, Adult Ministry Groups, Meetings, and Wednesday Evenings will remain 100% online.

Services will be 45-50 minutes in length. Singing will be limited to the platform, and not congregationally in the opening phase.

9:30 and 10:50 AM services will livestream online and be available for playback after.

Offering boxes will be placed in the foyer at the exit, and we encourage continued online giving.

The Worship Center will be limited to 1/3 capacity in each service ideally. Seating will be every other row. Family units are asked to sit together and provide 6’ distancing in rows from anyone you do not come to church with. The Worship Center only will be accessible, with no foot traffic into or out of the Family Life Center. Upon arrival, please enter, find your seat, and prepare for the service to begin.

Upon conclusion of the service you will be released by sections. Cleaning will take place in between services. Please exit out as your section is released and if you want to visit or talk with others, please do so in the parking lot outside so the building can be prepared for the next service. All cars will exit off of Mission Drive.

Please avoid handshakes, and hugs, and be respectful of other people's personal space.

Masks are encouraged in the initial phase, per recommended health guidelines, but not required, and we plan to have a supply available. If you have your own, please bring it as it will help our supply last longer. The pastor and musicians will not wear masks on the platform, but the pastor will wear one after the service should you need to speak with him. Ushers who open doors and the Welcome Team will wear masks.

We will take prudent health precautions following the recommended guidelines. If you are not well, have had or have a fever, or have been exposed to someone who is sick, please stay home for the well-being of others. This will feel, and be, different initially. The guidelines are not ideal, but neither is a pandemic. Let's rejoice that we can begin coming together again, and trust that circumstances will continue to improve and move back toward a sense of normalcy. In the meantime, let's be patient, respectful, and show a lot of grace to others who may have different opinions than ours about various aspects of the current situation.

It is impossible to eliminate all risk. So we act on faith and not fear, and take personal responsibility for how we decide to reenter.
